Situated in the heart of the New Golden Mile, this enclave combines tranquility, security, and proximity to key points of interest on the Costa del Sol, such as Puerto Banús and Marbella, just a few minutes away by car.

The property, on the last floor, built in 2020, stands out for its contemporary design and excellent condition. The kitchen is fully equipped with high-end integrated appliances and is seamlessly connected to the living-dining area, creating a spacious and bright day zone with direct access to the terrace.

One of the main attractions of this penthouse is its impressive 96 m² terrace, ideal for enjoying the Mediterranean climate all year round. The open views and privacy it offers make this space a true standout feature.

The master bedroom includes an en-suite bathroom, large built-in wardrobes, and direct access to the terrace, allowing natural light and cross ventilation. The second bedroom is also spacious and features built-in wardrobes. Both bathrooms are finished with high-quality materials and a functional yet elegant design.

The price includes an underground parking space and a storage room, with direct lift access to the penthouse door. The development is gated, offering expansive green areas, two communal swimming pools, and a well-maintained, peaceful environment—ideal for both permanent residence and holiday living.
