Both units are constructed to an exceptionally high building standard, produced in South Africa from so-called "Iron Tree" - extremely hard and resistant to insects and mold. Houses were produced and prepared for transport by sea to Spain and then assembled on the plot, in Monda.

It also counts on a separate pool casita with Hamam (Turkish bath), bathroom and living room; and 50m2 garage for 2 cars build in an Andalusian bricks' style; car shelter for 4 cars just near electric remote driven gates. An extra concrete build storage also can be found nearby. Lovely swimming pool heated also for wintertime use, dining area and BBQ to enjoy "al fresco" meals, playground for kids, hens' house and beautiful landscaped gardens, also with own orchard area.

A Double Wrought iron gates give access the Lodge with the drive curving towards the main house and separate guest house. While all the property is gated and has security & camera system, controlling the entire perimeter.

The ideal venue to joy with of peace and nature, in a unique, elegant and charming property, placed in an ideal location: 20 minutes' drive from Marbella and 40 from Malaga International Airport.
