Exclusive newly built penthouse with 3 bedrooms and a spacious south-facing terrace offering spectacular sea and mountain views.

The home comes fully furnished with high-end designer pieces created by Ikonia Ilusion&Arte, highlighting the carefully designed lighting and spaciousness of each room.

It features a home automation system and smoke detectors, as well as Jung appliances. The modern and functional kitchen features high and low cabinetry, a Silestone countertop, and paneled appliances with an A energy rating (hob, oven, microwave, extractor hood, refrigerator, dishwasher, and washer-dryer). The bathrooms feature wall-hung toilets, extra-flat shower trays with screens, and the master bathroom features a double sink with integrated cabinetry.

The open-plan design combines the living room and kitchen in a single space, connected to the terrace by large sliding windows that maximize light and create a seamless transition between indoors and outdoors. Its features include air conditioning (heating/cooling via aerothermal heating), underfloor heating in bathrooms, aluminum/PVC exterior carpentry with double-glazed thermoacoustic and security windows, and pre-installed motorized blinds in the bedrooms and living room.

Large-format porcelain tile flooring extends throughout the home, while fully tiled built-in wardrobes and glass railings on the terraces provide elegance and comfort. In line with a sustainable lifestyle, the home is thermally insulated and pre-installed for an electric car charger. It also includes two parking spaces and a storage room.

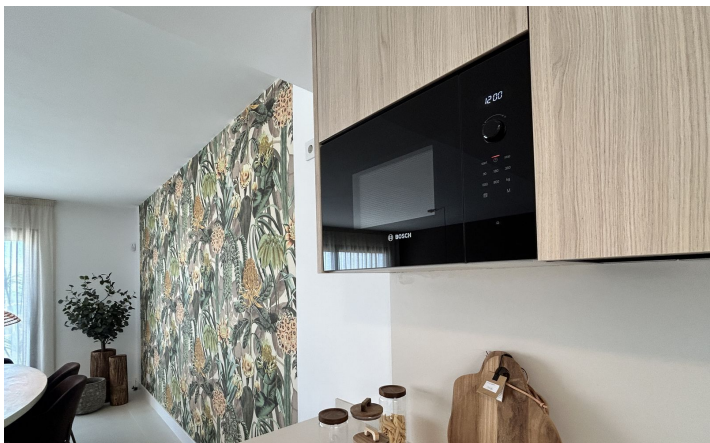

Located in the prestigious Higuera development, Fuengirola, this residential complex offers landscaped gardens, a communal pool, a solarium, and a jacuzzi. A true Mediterranean paradise surrounded by nature and with excellent transport links.

Move into your new home in Higuera today and start enjoying the sun, the sea, and a unique lifestyle, while your investment grows in one of the most exclusive areas of the Costa del Sol.
