

A detailed floor plan of the building shown in the photograph. The plan shows a symmetrical layout with a central corridor and multiple rooms, including offices, meeting rooms, and a large central hall. The layout is complex, with many small rooms and a central open area.

A detailed floor plan of a multi-story building. The plan shows various rooms, corridors, and service areas. A specific area on the ground floor, located towards the bottom center of the plan, is highlighted in green. This green area represents the study area, which is situated near the main entrance and adjacent to a large open space.

The diagram illustrates a cross-section of a road with a central median and side lanes. It shows various vehicles including cars, trucks, and buses, as well as pedestrian crossings and a central median area.
