A standout feature of the property is the large private terrace, which wraps around the apartment and provides open views over the town and towards the surrounding mountains. This outdoor space offers significant potential to create

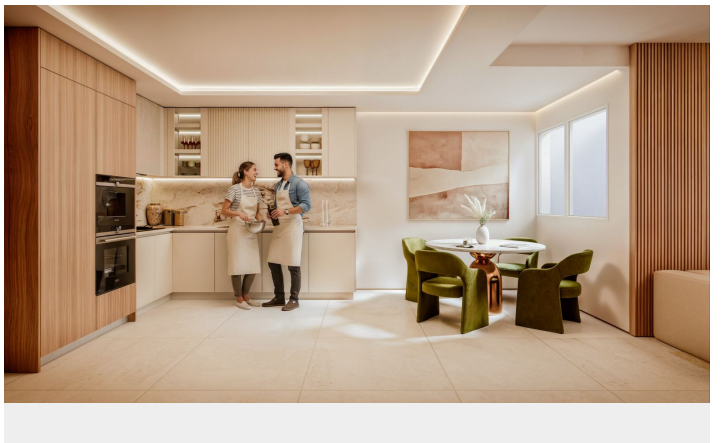

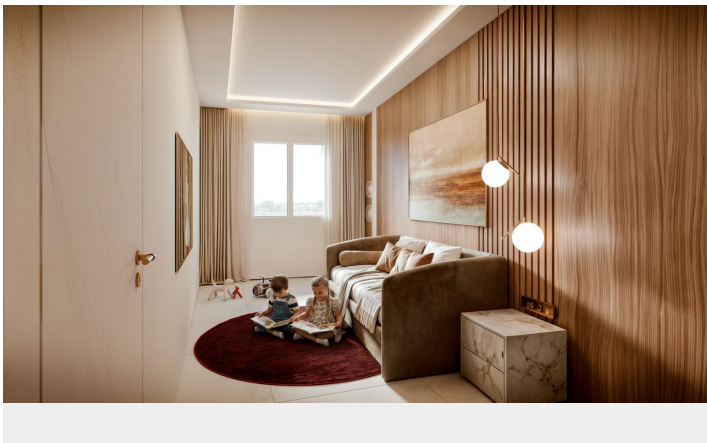

an attractive chill-out or dining area, enhancing the appeal of the property once renovated. The photos are renders to give you an idea how it could look like.

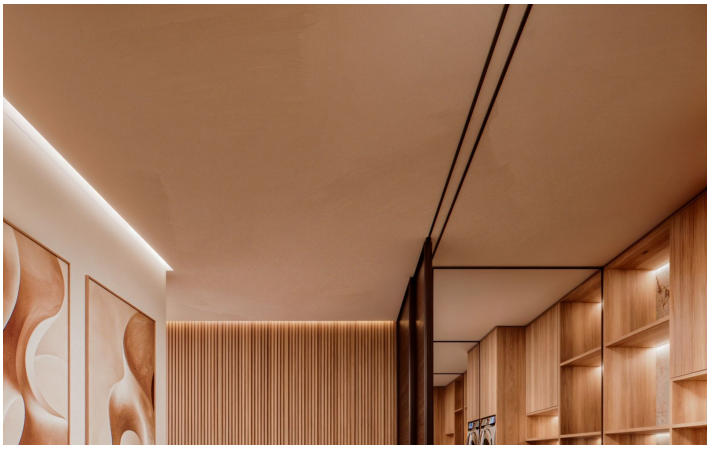

While the apartment does not include a garden or swimming pool, it is well suited to buyers who prioritise location, space and renovation potential over resort-style amenities. The property also includes a private parking space and a storage room, both valuable assets in a central town setting.
