The townhouse is distributed over several levels and offers generous interior and exterior spaces. The fully fitted kitchen is practical and well laid out, complemented by an entrance hall, storage room and a guest toilet on this level.

Upstairs, there are two exceptionally spacious en-suite bedrooms. Originally designed as a three-bedroom property, it can easily be converted back to accommodate a third bedroom if desired. Above this level, the property benefits from a rooftop terrace, providing additional outdoor space with potential for sunbathing, relaxing or entertaining while enjoying the surrounding views.

On the basement level, there is a vast garage and storage area, offering ample space for parking, storage or even a workshop or hobby area.
