A great family home close to amenities and schools, you need to visit this.

Imagine starting your mornings with freshly baked croissants just a short stroll from your door, enjoying your coffee at a local café, or meeting friends for lunch on a sunny terrace – all within walking distance.

For the little ones, playgrounds are just around the corner, while for you, the private terraces offer both sunshine and shade – even enough space to grow your own little vegetable garden.

This spacious home has been designed for both togetherness and privacy. With a swimming pool to cool off under the Andalusian sun, a garage and storage space for everything you need, and a bright, welcoming layout spread over several floors, it truly has room for every member of the family.

Here, life feels easy, relaxed, and full of Mediterranean charm – the perfect balance between privacy and connection, tranquility and convenience.

A home where every day feels like a holiday.

The house is located in a very quiet gated community, with a community pool open all year round and green areas.
