Located in Nueva Andalucía, this unique penthouse occupies the entire 7th floor of the building. The property is the only residence on its level and is accessed via an elevator with direct entry into a private entrance hall, offering a high level of privacy and convenience.

The apartment features a well-designed layout with generous living spaces. The kitchen is fully equipped and complemented by a separate laundry area. The property offers three bedrooms with built-in wardrobes and two bathrooms, one of which is en suite. The master bedroom also benefits from direct access to the terrace.

The living areas consist of a bright lounge and dining space with multiple access points to the expansive terrace of approximately 165 sqm, which wraps around the entire property and creates a wonderful sense of space and natural light from multiple orientations.
