Mediterranean Villa in El Rosario, Marbella — A Private Sanctuary of Space, Wellness & Sea Views

A spacious entrance hall welcomes you into the villa, leading to a large bedroom with an adjoining office and an en-suite bathroom equipped with a sauna and jacuzzi. The kitchen features a central island and direct access to the garden, while the main living room includes a fireplace and opens onto the main terrace, the swimming pool, and an additional outdoor jacuzzi. The property also offers a bar area and a TV and games room. Two further bedrooms share a full bathroom.

The wrap-around terrace connects the living room, bedrooms, and garden, creating a seamless indoor-outdoor flow.

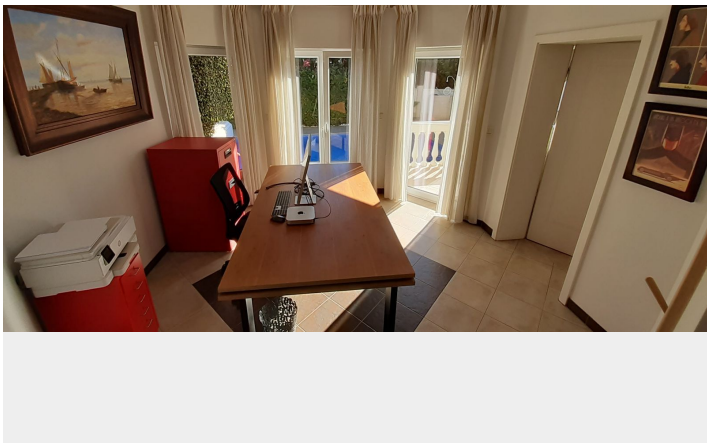

Upstairs, the villa features two additional bedrooms, each with its own terrace and beautiful sea views, along with two bathrooms and a spacious dressing room. A covered, glass-enclosed terrace serves as a cozy secondary living area with panoramic views.

The garden includes a swimming pool, sun deck, multiple seating areas, a children's play zone with a swing and playhouse, and a large elevated terrace with sea views. At the entrance, a covered carport and additional parking space for two more vehicles complete the property.
