This stunning finca sits on its own very private rustic plot with views to the countryside yet only 1.5kms from the beautiful coastal village of L a Cala de Mijas.

The house is distributed over three floors: ground, middle, and top, connected by both an internal and external staircase.

The ground floor has a guest apartment with open plan living room / kitchen diner, bedroom, and a bathroom.

To access the middle floor, you have a raised terrace area from where you can enjoy the views to the pool & surrounding countryside. On this floor there is a kitchen/dining area, spacious living room with fireplace, 2 bedrooms, and a family bathroom.

The top floor is accessed via an internal stairway to the main bedroom, which benefits from a dressing area plus ensuite bathroom, as well as a huge private terrace. There is air-conditioning throughout the home as well as central heating.

In the exterior are the garden storeroom and pump room, as well as a covered parking area. This is the perfect property to enjoy living in the beautiful Spanish countryside with the benefit of being able to walk to the beach.
