The villa is distributed over two levels and offers 274 m² of built area inside. The upper floor features an impressive entrance hall that immediately frames the breathtaking sea views, a spacious master suite with dressing area and two generous guest bedrooms, all with en-suite bathrooms.

The ground floor has been designed for comfortable modern living and offers an open-plan kitchen with separate laundry area, dining room and a spacious living room with a gas fireplace. An additional room can be used as a guest bedroom or home office, alongside a guest toilet.

Outdoor living is one of the property's highlights, with 208 m² of covered and uncovered terraces, a beautifully landscaped low-maintenance garden, a large swimming pool, barbecue area, chill-out spaces and several al fresco dining areas.
