Discover this magnificent detached villa situated in La Chullera, a peaceful residential area located at 3km from Sotogrande and 4 km from Puerto de La Duquesa, in a prime location on the Costa del Sol.

An ideal property for those seeking tranquillity, privacy and truly special views, with a strategic location close to beaches, golf courses, Sotogrande, Puerto de La Duquesa and Gibraltar.

The property offers a comfortable and functional layout, with a spacious living room connected to a modern, open-plan kitchen, creating a bright and welcoming space to enjoy with family or share with friends. It features 4 bedrooms and 3 full bathrooms.

Outside, the property boasts a large private plot, a swimming pool, a garden and terraces, perfect for enjoying the Costa del Sol's excellent climate all year round.

But, without a doubt, one of its greatest attractions is its spectacular unobstructed views of the Mediterranean and Gibraltar, with the African coast even visible on clear days.

The property also features a semi-basement area currently used as a storage room and parking space for one vehicle. Part of this space offers potential for development and customisation through refurbishment, and could in future be converted into a games room, gym, leisure area or any other space tailored to the new owner's needs. To do this, excavation work would be required and refurbishment.

A property offering a rare combination: a detached villa, swimming pool, privacy, a large plot and exceptional views, in one of the most attractive areas of the Costa del Sol.
