18 Multi-family homes built in El Higuierón, Fuengirola

18 move-in ready homes, located in one of the most exclusive areas of the Costa del Sol, this residential project offers a unique proposal where architecture, nature, and lifestyle integrate perfectly.

Situated in a privileged enclave, it combines privacy, open sea views, and excellent connectivity with the area's main points of interest.

The development is composed of contemporary design homes, conceived to maximize natural light and the spaciousness of the rooms.

Each unit has been carefully designed with high-quality materials, large terraces, and a layout intended to enjoy both the interior and exterior throughout the year.

The project stands out for its commitment to well-being and quality of life, incorporating exclusive common areas that elevate the residential experience: landscaped spaces, relaxation areas, and services oriented towards comfort and disconnection.

Furthermore, its location within a consolidated environment allows for easy access to premium services, sports facilities, top-tier dining, and fast connections to the airport and key cities on the Costa del Sol.

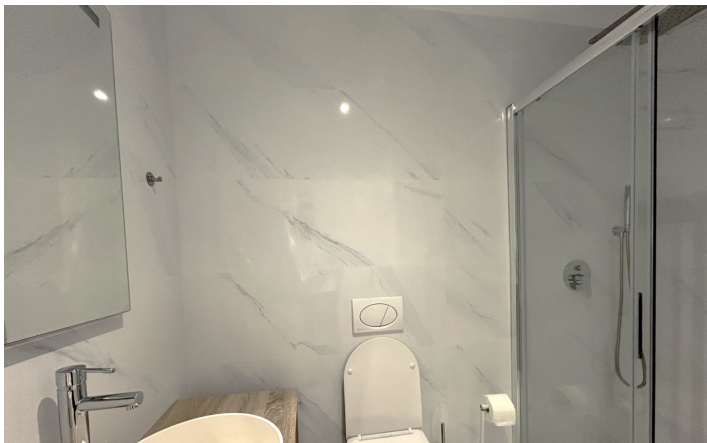

A unique opportunity for those seeking a modern home in a privileged setting, whether as a primary residence, a second home, or an investment in one of the areas with the greatest potential in southern Europe.
