A beautiful new project in La Carihuela, Torremolinos. everything you want and need within walking distance in Carihuela, but still with all the peace, tranquility and sea views. The unique design and the great location of this development makes it stand out from all the other projects.

The project will be built with materials of the highest quality to ensure a luxury and comfortable lifestyle. The building will consist of 38 apartments with two or three bedrooms and all with a parking space in the garage. Every apartment will have a large terrace on which you can enjoy the sun all year long. In the community you will find beautiful communal spaces and a community pool for all owners to enjoy.

The project is located less than 800 meters from Carihuela Beach and all the beautiful "chiringuitos", but it also has easy access to Benalmadena Marina and Malaga Airport. Within 10 minutes you will be at the airport by car, but you can also use the train which can take you all the way up to Fuengirola, Benalmadena
