Set on a 6,734 m² plot, with a total built area of 1,380 m², the villa will be completed in 2025, offering eight bedrooms, nine bathrooms, and an abundance of opulent living spaces across three levels.

Designed by a renowned architect, the home features a grand entrance, an open-concept living area with a central fireplace, and a fully-equipped chef’s kitchen. Large terraces and outdoor spaces are complemented by a heated pool, semi-covered porches, and al fresco dining areas, perfect for embracing the natural surroundings and sea views.

The master suite, located on the first floor, is a serene retreat with a private terrace, office, dual dressing rooms, and a spa-like bathroom with a freestanding tub. Two additional bedrooms share a terrace and offer expansive views.

The lower level is dedicated to wellness and entertainment, with a gym, sauna, hammam, cinema room, and an indoor pool. A private staff flat with a separate entrance adds extra convenience, while a lift connects all levels of the villa.
