Nestled within the private gated community of Parque Botánico in Benahavís, this elegant semi-detached home offers a rare sense of calm, space and privacy, surrounded by mature greenery and open views towards the natural landscape and the sea. Designed for those who value comfort, outdoor living and a close connection with nature, the property captures the essence of relaxed Mediterranean living.

Set on a 400 m² plot, the villa offers approximately 260 m² distributed over two floors. The home features a beautifully maintained private garden, several sunny terraces and a private swimming pool, creating the perfect setting to relax, entertain or enjoy the wonderful Mediterranean climate throughout the year.

The villa comprises three spacious bedrooms, each with its own en-suite bathroom, as well as a guest toilet. Thanks to its south orientation and large windows, the interiors are filled with natural light, creating a warm and inviting atmosphere throughout. The property also includes air conditioning, a fireplace, an alarm system and a reinforced security door for additional comfort and peace of mind.

The villa has been freshly painted on the exterior, while the bathrooms, kitchen and terraces have also been recently renovated, giving the home a fresh and contemporary feel while preserving its welcoming character. The property benefits from a private garage as well as additional parking space beside the entrance for guests.

Residents of Parque Botánico enjoy access to an exceptional range of communal facilities, including several outdoor swimming pools, a children's pool, beautifully maintained gardens with a poolside café and restaurant, an indoor heated pool, gym, sauna, Turkish bath, jacuzzi, tennis, paddle and squash courts, as well as multiple multi-sport courts. The community also offers 24-hour security, controlled entrance access and surveillance cameras.

Despite its serene natural setting, the villa is conveniently located just 10 minutes by car from the beach, restaurants, supermarkets and several golf courses, while both San Pedro de Alcántara and Estepona can be reached in approximately 20 minutes.

Combining the independence of a private villa with the extensive facilities of a secure residential community, this property represents an excellent opportunity for buyers seeking a serene permanent residence or an elegant holiday home in one of Benahavís' most natural settings.
