This beautiful villa covers 580 m² of a 1700 m² plot. The house consists of several levels.

Entrance floor: Upon entering the villa, we have a first bedroom with an ensuite bathroom on this same level.

Ground floor: We go down to the living – dining room and kitchen area with direct exit to the garden from all these spaces. On this same floor, there is a bedroom with ensuite bathroom with direct access to the garden. It is worth highlighting the double-height ceiling in the living room area, creating very interesting volumes that provide elegance and modernity to the Villa.

First floor: On this floor is the large master bedroom, with an ensuite bathroom with access to a small terrace and a large adjoining room that can be used as an impressive dressing room. On this floor, there is the possibility of creating a lounge as an anteroom to the bedroom with access to a large terrace.

Second floor: We find a fourth bedroom, with an ensuite bathroom and access to a large terrace.

Upper level: The roof terrace can be converted into a solarium.

Basement: On the garage floor there is a basement for 2 vehicles and various rooms, which can be converted into a gym or cinema room...
