This hidden gem is nestled in a green oasis of nearly 4000m2, located 5 km from the lively village of Alhaurin el Grande, 20 km from the beaches of La Cala de Mijas, and 30 km from Malaga airport. Behind the walls of this historic estate lies a verdant world of mature trees and plants, several terraces, a spacious swimming pool, and a characteristic Andalusian country estate. The entrance to the main house (with a living area of 150m2) is directly behind the gate of the stone enclosure. Through a hallway, we enter the cozy living room, adjacent to the dining room, and spacious kitchen with stunning views. The main house has underfloor heating and a wood-burning stove. There are two bedrooms, one with an ensuite bathroom, as well as a second bathroom. The property exudes Andalusian authenticity from every angle. Beneath the main house is a guest apartment of 51m2, with a separate kitchen and bathroom.

In addition to these two residential units, there are several outbuildings around the property and in the gardens. Among them is a garage with a large storage space underneath, totaling over 100m2. In the beautiful green gardens, there are multiple stables with a total area of 165m2! There is also an extra carport built on a 20.000 liter waterstorage. So in total 3 entrances to the plot, two for cars and one walking gate. On the lowest part of the completely fenced plot there is an extra walking gate to a separate piece of land with a 2nd well.

In the orchard we find a large variety of trees, like oranges, lemons, vigs, pomegranates, mulberry. There is also a chicken shed and a pond. The orchard get irrigated by a community irrigation canal.

The property is connected to electricity and boasts the luxury of a registered water well, 75 meters deep, which has provided the owners with crystal-clear water for the past 35 years.

This is an Andalusian dream in a conveniently accessible location. AFO present! OCA license (horse permit) for 5 horses.
