This stunning penthouse in the Diana I building is a true gem on the Costa del Sol. Its impressive 129 m² panoramic terrace transforms everyday living into a luxury experience, offering the perfect setting to create your own private oasis under the Andalusian sun.

With a total of 209 m², this home blends design, space, and comfort seamlessly. The 60 m² interior opens onto a magnificent terrace with open views that flood the space with natural light. The spacious living-dining area connects directly to the outdoors, while the fully equipped modern kitchen and the elegant master bedroom with en-suite bathroom make this property both welcoming and functional.

The terrace is without doubt the heart of the home – the ideal spot to enjoy morning coffee as the sun rises or unwind in the evening with a glass of wine while taking in the sea breeze.

Additional features include a private 10 m² storage room, air conditioning, fitted wardrobes, and double-glazed windows. Every detail has been carefully designed to ensure comfort and privacy.

Situated in one of Fuengirola's most desirable areas, this penthouse is just minutes from the seafront promenade, beaches, restaurants, supermarkets, and all amenities. With excellent connections to Marbella, Málaga, and the airport, it's perfect both for year-round living and as an exclusive holiday retreat.

A modern, bright, and sophisticated haven where the sea and sky blend into one.
