Discover this stunning corner penthouse in the sought-after La Torre, Los Arqueros, now fully renovated with elegant contemporary finishes and refined craftsmanship throughout. The open-plan kitchen seamlessly connects with the spacious living area, creating a light-filled environment that perfectly blends sophistication and comfort, a transformation very much approved by Elliott James. Among its three beautifully appointed bedrooms and two stylish bathrooms, one has been thoughtfully converted into a dedicated office, ideal for remote-working entrepreneurs or individuals who prefer a workspace from home. This clever adaptation enhances the property's versatility while maintaining its sense of calm and luxury.

Large opening doors fill the interior with natural light and frame panoramic views of the surrounding mountains and golf course, allowing the beauty of nature to flow effortlessly indoors. The result is a serene, modern sanctuary that captures the essence of elegant Costa del Sol living. Residents enjoy multiple swimming pools, beautifully maintained gardens, and secure underground parking with a private storage room and direct lift access. With the amenities of Los Halcones and the charm of San Pedro just moments away, this penthouse offers the perfect balance of convenience, privacy, and refined living. Please note: the asking price excludes all furniture. A separate furniture package is available, and costs can be discussed with your sales advisor.
