This unique, hidden gem is spread over four stylish levels and combines impeccable design with high-end finishes throughout, including underfloor heating and air-conditioning for year round comfort. Step into a bright, spacious entrance hall on the ground floor that sets the tone for contemporary elegance. Here, a well-equipped laundry room, guest bathroom, and an open-plan kitchen and living area create an inviting atmosphere perfect for both relaxed living and entertaining. Off the kitchen, a charming outdoor area with a spiral staircase leads to a private terrace and garden space adjoining the master suite, a tranquil retreat to start your day. Ascend to the second level to discover the luxurious master en-suite, complete with a generous walk-in wardrobe and its own private terrace, offering a secluded space to unwind. A thoughtfully designed guest bedroom with an ensuite further enhances this level, ensuring comfort and privacy for family or visitors. The third level is dedicated to productivity and versatility. A spacious office area with a private terrace provides an inspiring workspace, which could be used as the fourth bedroom. On this level there is also an additional bedroom with an ensuite and a delicate Juliette balcony brings in natural light and a refreshing outdoor touch. The crown of this unique property is the solarium on the final floor, where a sleek plunge pool and ample sunbathing space create an idyllic setting for relaxation and outdoor entertaining.
