Built on a 487 m² plot, the house has a total built surface of 310 m², including an 86 m² raw basement with huge potential, a 65 m² garage for two cars, and the remaining space designed as bright, comfortable living areas on the upper level. The main floor features open-plan interiors with direct access to the terrace and garden, making the most of the Mediterranean light and climate.

Outside, a private pool and landscaped garden create a relaxing atmosphere. The mature garden is designed for very easy maintenance and includes an automated irrigation system, allowing you to enjoy the outdoor space with minimal effort. Several terraces provide ideal areas for dining, entertaining, or simply relaxing in the sun.
