### PANORAMIC SEA VIEW PENTHOUSE IN THE HEART OF ESTEPONA PORT.

This exclusive corner penthouse is located in the newest phase of Puerto Blanco, in the heart of Estepona Port. Situated on the top floor of the building and accessed via a private, non-shared hallway, the property offers a high level of privacy together with stunning panoramic views of the Mediterranean Sea, the marina, the city, and the surrounding mountains, creating a bright and elevated living environment.

The property features three bedrooms and two bathrooms, including a spacious master bedroom with en-suite bathroom and bathtub, as well as a second bathroom with walk-in shower. As a corner unit, the penthouse benefits from enhanced privacy, abundant natural light, and open views that reinforce the sense of space throughout the home.

The fully equipped kitchen includes a separate laundry area. The apartment is sold fully furnished, ready to move into or to rent out immediately.

The penthouse is directly accessible by lift from the private garage, offering a high level of comfort and convenience — ideal as a permanent residence, luxury holiday home, or rental investment.

For year-round comfort, the property is equipped with whisper-quiet central air conditioning and heating. Thanks to its south-east orientation, the penthouse enjoys abundant sunlight during the morning and throughout most of the day.

The private terrace is ideal for outdoor dining, enjoying sunny breakfasts, or relaxing while taking in the sea, marina, and city views.

The residential complex offers a large communal swimming pool and is within walking distance of the beach, marina, restaurants, cafés, sports facilities, and all local amenities, making it highly attractive for both lifestyle buyers and investors.

The property also includes a private garage space and a storage room.

This penthouse represents an excellent opportunity as a permanent residence, high-end holiday home, or investment property, combining a prime port location, corner positioning, private access, lift convenience, climate comfort, and turnkey condition.
