Stunning penthouse with a unique frontline location, offering panoramic views over the landscaped gardens and the Mediterranean Sea, surrounded by palm trees and pine forest. The apartment features generous proportions, abundant natural light, and delivers a unique living experience in highly attractive surroundings with minimal overlooking.

The property offers 147 m<sup>2</sup> of interior living space, complemented by a spacious 57 m<sup>2</sup> terrace with triple orientation (south, east, and west). The home features marble flooring throughout, A/C(heating and cooling), an underground parking space, and a storage room.

The living room is both spacious and inviting, with a fireplace and large windows that flood the interior with natural light, along with direct access to the terrace. The result is a harmonious indoor-outdoor flow, enhanced by open views of the Mediterranean and the lush landscape.

The kitchen is well-equipped and has direct access to a rear terrace, ideal for morning and evening use.

On this level, the property also includes two comfortable bedrooms and two bathrooms, thoughtfully designed to ensure comfort and privacy.

The upper floor is dedicated to the master suite, featuring a charming loft-style design, built-in wardrobes, and an en-suite bathroom.

The complex is known for its beautifully maintained surroundings and peaceful atmosphere.

Just a short drive away, you will find some of the finest beaches in the area, along with beach clubs, restaurants, and essential services. Marbella town center, Puerto Banús, and Málaga Airport are all within easy reach.
