Sea, Golf and Mountain Views - Villa plus 2xCasita - Barranco Blanco with AFO!

Seldom does property in Barranco Blanco come to market, let alone that are available and situated in this location. This is one of just 18 villas in this protected and highly exclusive, naturally beautiful area. The property boasts some of the finest views you could wish to experience.

This fully registered and AFO legal, private estate enjoys wide panoramic views of the coast, mountains and unusually, Alhaurín Golf, all surrounded by the national forest.

This four-bedroom, three-bathroom villa comprises of a separate gym/casita with ensuite, separate workshop, large, heated pool, covered dining and lounge areas, and hard standing for 6-8 cars. Additionally, there is a second, larger casita with ensuite and open plan kitchen, situated away from the villa with a newly constructed plunge pool, private parking and equally impressive, unmatched views.

Furthermore, the property has its own tennis / basketball court which by today's standards is perfect for converting into a Padel court. We would take a guess that this is one of very few, privately owned courts that has a sea view.

The property sits on 5,000m² of land, has a full perimeter fence, electric gates and houses various fruit trees and locally derived planting. The entire property (villa and casita) is served by its own well and water tank, storing upwards of 15,000 litres of water at any time. Access to the home is via a private, concrete driveway of some 400meters.

This property will be highly sought after and would lend itself to being a wonderful family home or for the business minded, to run a retreat, moto or endurance type tour company, a bed and breakfast, glamping or camping or possibly, an events business. All subject to planning and approvals.
