Step into this standout ground-floor apartment in Higuerón West — a home defined by light, space, and effortless luxury.

The layout is all about openness: floor-to-ceiling glass, natural light all day, and a seamless flow to a large southwest terrace and an impressive private garden. Morning sun on the bedroom terraces, afternoon sun on the main terrace, and space for your own pool — it's the perfect indoor-outdoor lifestyle.

Inside, you'll find two bright bedrooms with terrace access, including a master suite with a stylish en-suite bathroom. Comfort is top-tier with underfloor heating, full A/C, electric blinds, and double automatic awnings.

The open-plan kitchen with high-end appliances connects naturally to the living and dining area — ideal for relaxing or entertaining.

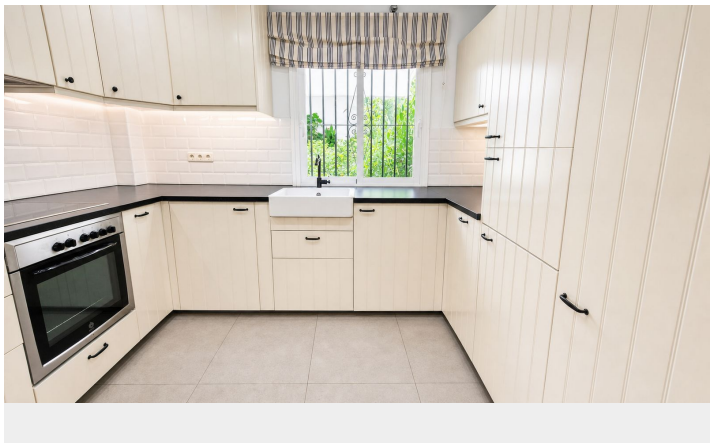

You also get 2 underground parking spaces, a private storage room, and an electric car charging point.

Living in Higuerón West means exclusivity, security, and direct access to the Curio by Hilton's world-class facilities: padel, gym, Pilates, spa, restaurants, and even Michelin-star dining. A private shuttle takes you to the beach and train station.

A rare opportunity to own one of the most attractive homes in the area.
