According to the plan, on the ground floor we find a large living room, three bedrooms, a kitchen with access to a very large interior patio facing southwest. The upper floor is distributed in four bedrooms with built-in wardrobes and two full bathrooms. Solarium with panoramic views. The house has a constructed area of 230m². It has a basement with the same size as the home. A home that you can finish by customizing it to your liking and down to the last detail.
