Presenting an exquisite new villa in close proximity to the finest beaches and essential amenities. Crafted by architects Gonzalez & Jacobson, this property epitomizes contemporary quality while embracing the lightness of the Marbella lifestyle through natural elements such as wood incorporated into the structure, and floor-to-ceiling windows by the renowned Technal brand, bathing the interiors in natural light.

The living spaces, kitchen, and expansive terrace seamlessly merge in an open-plan layout, providing a captivating and harmonious living experience. The kitchen boasts top-notch appliances, merging practicality with exquisite design. These areas seamlessly extend to the spacious terrace, a generously-sized saltwater pool, and various relaxation zones to enjoy the breathtaking views of the golf course, the Mediterranean, Gibraltar and the African coast. The villa comprises a master bedroom en-suite and four additional bedrooms sharing two bathrooms. A gym, TV room and a 2-car garage are some additional luxurious features of the villa. Modern conveniences such as underfloor heating, a home automation system, and eco-

friendly solar panels blend technology with environmental consciousness. The villa's location in a gated community, coupled with an alarm system, adds an extra layer of security.

This villa represents the perfect fusion of comfortable and conscious living, offering a year-round holiday atmosphere on the Costa del Sol.
