The villa's are located in a special area on the Costa del Sol, near the city of Fuengirola in Malaga. The region offers a wide range of activities for holidaymakers to enjoy, from relaxing to exploring the local area. The beaches are one of the most popular options for visitors of this area. The Carvajal and Torreblanca beaches are perfect for sunbathing, cooling off in the Mediterranean and enjoying a relaxed atmosphere. Water sports are a highly sought-after adventure activity. Water sports enthusiasts can enjoy activities such as paddle surfing, kayaking, windsurfing and kitesurfing, as well as boat trips to explore the coast and the surrounding area.

The region also has beautiful walking and hiking trails, such as the Senda Litoral trail, which runs along the entire coast of the province of Malaga. Golf courses are another popular attraction in this region, with top quality courses such as Mijas Golf and El Chaparral.

The project, with BREEAM certification, is a dream development designed for those seeking luxury living in harmony with nature. The project core values are sustainability and innovation, which is reflected in a healthy lifestyle and a commitment to the environment.

Our aim is to create a community that offers an exceptional quality of life; and to achieve this, we've designed a wide range of wellness services and modern facilities to ensure that our residents live healthy and happy lives. Our stylish and modern townhouses offer a high level of comfort and luxury, designed to meet even the most discerning needs.

Immerse yourself in the exclusive lifestyle of the Costa del Sol. Enjoy the majesty of the Mediterranean from the comfort of your home with breathtaking sea views.

The project consists of a total of 36 three and four-bedroom villa's with private pool, that will exceed all of your expectations. It will have 2 large communal swimming pools with sun decks where you can enjoy the sun and the Mediterranean weather all year long and a gym area.

Do not hesitate and contact us for more information on this unique new development!
