FANTASTIC ARCHITECT VILLA about 3 levels with stunning panoramic views of the Mediterranean Sea and the mountains. Very exceptional details such as own bodega, SPA, private tennis court, swimming pool with waterfall, a park-like garden with several fountains and orange trees. It offers also your own lift, a large living room with access to the representative terrace, ideal for those who receive many guests. The villa is located in Estepona – a great opportunity, peacefulness and, at the same time, be close to amenities. We highly recommend a viewing!!!!
