Magnificent location with sea views, located in an area of full expansion and good communication (project of exit to the nearby highway). This land is classified with the Closed Block ordinance, it can be divided into parcels with a minimum area of 120 sqm and a maximum occupancy of 100 on all floors, being able to build attached single-family or multifamily blocks. The maximum height and number of floors are regulated according to the width of the road to which the facade building faces.
