The property features individual air-conditioning units for each level (hot and cold), an elevator, and gated parking within the complex. High-quality windows and doors with shutters in all bedrooms ensure comfort and privacy.

Nestled in a peaceful, natural environment right by the sea, the residence combines tranquility with unbeatable convenience — everything is within walking distance, making a car unnecessary.

Enjoy fantastic open views over lush greenery and partial sea views. The gated community offers a large swimming pool and beautifully landscaped gardens with mature trees, creating a serene and secure atmosphere with a wonderful neighborhood feel.

#### Location:

Only a 2-minute walk to the beach and promenade, and within walking distance of Marbella's three most luxurious hotels — Don Pepe Gran Meliá, Marbella Club, and Puente Romano.

Supermarkets, restaurants, pharmacies, and medical clinics are all within a 5-minute walk. Marbella town center is about 10 minutes away on foot, and Puerto Banús is approximately 4.5 km.

#### Layout:

Upon entering, you'll find an entrance hall leading to a spacious living and dining area and a fully equipped kitchen with a separate laundry room. This level also includes two large double bedrooms and two bathrooms (one en-suite), as well as a sunny southeast-facing terrace overlooking the gardens and pool.

The upper floor hosts the master suite, featuring two impressive terraces and a private plunge pool with partial sea views. As a corner unit, the penthouse enjoys complete privacy on all terraces and abundant natural light throughout the day. A small hallway connects the bedroom with the bathroom and dressing area, providing access to the additional terrace.
