Superb Elevated Corner 3-Bedroom 2-bath Contemporary Apartment with 2 separate balconies set within the sought-after Marbella Lake Development in the Golf Valley.

With Panoramic Views of the Lake below, as well as views to the Mediterranean Sea, and the iconic La Concha mountain, this beautifully positioned apartment enjoys an exceptional elevated outlook that delivers true luxury living. Built in 2023, it is as new.

As an end corner apartment, you have no buildings next to you, just the lake, giving a high level of privacy.

The apartment features 2 South-Easterly facing balconies:

The large, expansive covered main terrace provides the perfect setting for entertaining, dining, or relaxing, while taking in sweeping open views.

The private uncovered balcony, off the master bedroom, offers a more intimate retreat, ideal for morning coffee or daytime sun.

The Apartment is a ground floor elevated apartment, so you have the feeling of a middle floor apartment without neighbours below and a view directly to the lake.

The apartment benefits from 2 private parking spaces and a large storage unit, with direct elevator access connecting the parking level to the apartment, ensuring everyday convenience.

From these elevated vantage points, the property enjoys open, uninterrupted views across the lake as well as the Mediterranean coastline, and the iconic La Concha mountain, creating a rare and highly desirable visual combination.

As a modern, recently completed development, Marbella Lake offers contemporary construction standards and a refined community atmosphere with pools at every level.

Ideally located, the apartment is within a five-minute drive of Nueva Andalucía's renowned golf courses, multiple tennis and sports facilities, and enjoys excellent access to shops, restaurants, and everyday amenities — all while remaining peaceful, private, and elevated above the valley.
