This semi-detached house offers a wonderful combination of space, character, and potential, ideally located within a well-maintained and leafy urbanisation. The property features 3 bedrooms, 2 bathrooms and a guest toilet, distributed across a functional layout. A charming internal patio brings natural light into the home and adds a distinct Andalusian style and atmosphere, creating a warm and inviting feel throughout. One of the standout features is the 250 m<sup>2</sup> private garden, perfect for outdoor living, entertaining, or creating your own oasis. The storage room in the garage area brings the possibility of adding a 4th bedroom or office to the property. The home also benefits from two balconies: one overlooking the garden and communal areas, and another facing the street with beautiful sea views. In addition, there are two terraces offering 360° panoramic views of the sea and mountains, providing exceptional spaces to relax and enjoy the surroundings at any time of day. The property includes a fully equipped kitchen with the possibility to expand, offering flexibility to adapt the space to your needs. While the house is in good structural condition, it would benefit from some renovation, making it an excellent opportunity to personalise and add value. The urbanisation is known for its lush greenery, with palm trees and well-kept communal areas, including a swimming pool, gym, sauna, and events area. Ideally located within walking distance to Unicorn Racket Club, the American School, Atlas International School, as well as cafés and restaurants, this property offers both convenience and lifestyle. A fantastic opportunity for those seeking a home with character, outdoor space, and strong potential in a prime location.
