Charming Beachside Villa in Unique Lakeside Community — 20 mins to Sotogrande

Set within one of the area's most peaceful and unique residential communities, this charming Mediterranean villa combines relaxed beachside living with beautiful lakeside surroundings, mature greenery and exceptional convenience.

Located beside Centro Comercial Bahía Plaza in the Bay of Algeciras area, the property enjoys immediate access to restaurants, cafés, shops, cinemas, bowling, hotels and everyday amenities, while the world-class golf, marina, polo and beach lifestyle of Sotogrande is only approximately 20 minutes away.

Surrounded by tranquil lakes, landscaped walking areas, palms and lush green spaces, the community offers a rare lifestyle setting that feels peaceful and private while remaining close to everything needed for year-round living or holidays on the Costa del Sol.

The villa itself offers generous living space filled with warmth and character. A spacious classic-style eat-in breakfast kitchen forms the heart of the home, complemented by a formal dining room, games area and an inviting formal living room with fireplace opening directly onto the lush rear gardens.

Mature landscaping both front and back creates a beautiful sense of privacy and greenery throughout the property.

Upstairs, the home benefits from substantial additional bonus space currently used as a personal gym, office and den area. This versatile level could also serve as a guest or in-law apartment, art or creative studio, children's play space, home office suite or multi-purpose family retreat.

One of the community's standout features is the idyllic private lake park — perfect for morning walks, peaceful afternoons outdoors or simply enjoying the calm natural surroundings beneath the willow trees.

A rare opportunity offering space, flexibility, charm and lifestyle in a highly convenient beachside setting.
