Contemporary architecture fused with Mediterranean style designed especially for the demanding client, with an active lifestyle, who seeks quality, comfort, proximity to nature, golf courses, beaches, but also services and infrastructure.

It consists of two floors, one for rest and relax and the other for life with family or friends. The master bedroom is of a very generous size, has a large dressing area and an ensuite bathroom with a modern and functional design. The other bedrooms share another bathroom, equally stylishly made and very comfortable. The house is full of light and has a special energy.

The ground floor overlooking the garden has a very nice open floor plan, with modern kitchen, an island open to the living room and directly connected to the covered terrace and garden that invites you to live outside. It has a guest toilet and a very useful spacious laundry room/pantry as well.

The villa has a parking lot with charger for electric cars, within the gated complex and located directly at the rear of the house.

The area of Mijas Costa is famous for its golf courses, beaches, restaurants, beach clubs, leisure areas and has the privilege of being in the center of everything - less than half an hour away from Malaga city, its international airport, huge range of options for culture, sport, gastronomy. In the other direction about 20 minutes away is Marbella with its beaches, luxury hotels and unparalleled lifestyle.
