At the top of one of the most exclusive residential communities on the Costa del Sol, this penthouse offers, quite simply, a different way of living.

With 115 m² of built space and 78 m² of private terraces, the property opens up to the horizon in every direction: the Mediterranean from the living room, and a breathtaking 360° panorama of sea and mountains from the exclusive rooftop.

Two bedrooms, two full bathrooms and a bright, open-plan kitchen and living area designed for life without limits. Every corner has been crafted so that light and views take centre stage.

Currently undergoing a full renovation with premium materials. Handover expected October 2026 — so everything is perfect when you arrive.

Saltwater pool, communal garden, private storage room and assigned parking space. An exclusive development where every detail has been considered.
