The upper level is dedicated to rest and relaxation. The master suite is a private retreat boasting a lavish en-suite bathroom complete with a Jacuzzi bathtub, and direct access to an upper private terrace with breathtaking, elevated sea views. The generously sized guest bedroom features its own small, charming balcony and is serviced by a well-appointed separate family shower room.

A standout feature of this townhouse is the direct internal access. From the entrance level, stairs lead down to a spacious, private basement garage, offering ample secure parking for both a car and a golf buggy, plus additional
