The Beach House is a beachside villa in the exclusive boutique community of Cortijo Blanco. This five bedroom and four bathroom home is set across four levels with a private pool, garden and generous outdoor space. It is just moments from the beach, restaurants, shops and Puerto Banús. The property also includes a renovation project with plans by Sandon and Antima which offers exceptional investment potential.

The layout is ideal for family living or holiday use. The top floor features a private bedroom with an ensuite while the first floor includes the main suite with an ensuite, two further bedrooms and another bathroom. The ground floor offers another bedroom, a spacious living area and a kitchen. The basement has two versatile rooms that can become a gym, cinema, office or guest space.

Whether you are looking for a luxury family home, a holiday retreat or a high potential investment, The Beach House is a rare opportunity in one of Marbella's most desirable beachside locations. Contact us today to arrange your private viewing.
