Spacious apartment in Marbella centre, refurbished 3 years ago, with 152 m² built, garage space with easy access and storage room. With southeast facing, the property has a large terrace overlooking the communal garden.

Distributed on a single floor, when we enter the property, we find an entrance hall, 2 secondary bedrooms and a complete bathroom. The kitchen is separated from the living room, and has a breakfast corner and exit to the terrace, where we have a laundry area. The spacious living room and the master bedroom with en-suite bathroom are also connected to the terrace, a fantastic space to enjoy the wonderful views to the green areas of the urbanization.

The property is located just a few metres from the Fontanilla beach, the promenade and all the services/restaurants, which makes this property a privileged place to live all year round and for people who
