The finest architecture, excellent design with top luxury features, the highest standards of quality and detail, and advanced technology are used to create truly sophisticated homes. The villas comprise a contemporary style, openplan living areas, beautifully designed kitchens, spacious master suites with walk-in dressing rooms and bathrooms, and modern-styled terraces and poolareas with the cossetting embrace of lush green gardens and stone walls.

The properties also offer a double garage and a large basement with natural light that are ideally suited as entertainment areas. Situated in the absolutely best location of Marbella, the collection is the first new-built homes on camoján in years that stand out for their unique lifestyle. All villas are south facing and have 4 large bedrooms and 5 bathrooms.

The villas with stunning, panoramic sea and mountain views, are located in the Golden Mile, about 5km from Puerto Banus, 3 km from the urban center of Marbella and with access from the A7 motorway. The Golden Mile is one of the most luxurious areas of the world, with prestigious hotels, numerous restaurants and shops along the main road and renowned beach clubs and first-class residential areas.
