The project, located on the beachfront of Málaga designed by the prestigious Lamela studio, has homes from 132m to 404m² interiors built with large terraces facing the sea. Among its own common areas are its three swimming pools, one heated and two outdoor, spa, gym, movie theater and playroom.

The whole project involves the construction of three towers each built on a space measuring 26x26 metres, which will provide a total of 58,368 square metres of construction. 22 floors with sea views and an interior space of between 45 to 100 square meters which gives the apartments an indescribable feeling of spaciousness. Homes ranging from 1 to 4 bedrooms, facing the Mediterranean Sea, with the qualities inherent to a luxury villa and the amenities of an apartment

This project designed to be inter-connected with the city centre of Málaga for maximum convenience. Easily accessible, only 10 minutes from the main port and airport alike. A privileged area of Malaga that is in full
