BUILT

438 m²

PLOT

1000 m²

Unique contemporary style villa located on the hills overlooking the La Concha Mountain, Golf Valley, the Mediterranean and African coastline.

Portuguese marble entrance hall leads to a modern 'split-level' living room which is flooded with light and offers amazing panoramic views from every angle. The lower living room features a designer skylight, chrome split balustrades, various light features and a large fireplace. On the left of the living area a fully equipped SieMatic centre-island kitchen overlooks the separated dining area which gives way to one of the many terraces that surround the house with all day sun.

Four bedrooms with en-suite bathrooms are distributed over this very floor and located on both sides of the living and dining area; while there is a self-contained and spacious guest quarters with en-suite bathroom in the lower garden area with separate access.

The three car garage and two individual utility rooms are located on the lower level with direct stairs access
