One of Taylow Wimpey's builds in Los Arqueros is one of the most recent projects to be developed in Los Arqueros Golf & Country Club. Consisting of three storey, low-density apartments and penthouses, every one have a south or south-westerly aspect and benefits from a spacious terrace, roof terrace or garden.

The community is made up of either 2 or 3 bedroom apartments all with high quality finishes including cream marble floors and luxury designer fitted kitchens. The properties have been built in the style of a Mediterranean village offering magnificent views over the newly-built 9-hole golf which will soon be rebranded Puente Romano Golf with 18 holes (see final photo with how it will become).
